It is hard to imagine that anyone in Utah's history has received as much attention – from his admirers and detractors – as Brigham Young. One hundred and thirty-five years after his death, is there anything new to say about the Church's second president and Utah's founder? John Turner, a non-LDS historian of religion, has a great deal more to say about Young in his recently released biography, Brigham Young: Pioneer Prophet. In his talk, Turner will connect Young's spirituality, his traumatic experiences in Nauvoo, and his hard-edged political leadership of the Utah Territory.
